The children cope better with focus tasks in the morning. Plan breaks and free time around the focus learning activities. Keep the afternoons more relaxed and flexible.		Explore an activity together or independently. Use one of the educational videos from the plan as a starting point. Try out one of the art and craft ideas. Cook or bake together.		Play... board and card games together, with Lego or other construction toys, imaginative free play with toys or dressing up, in the garden		Use the yoga or story time videos to calm them and give them down time. Please remember this timetable is suggestion, there is no single right way of doing this.
