Key Stage 2 Comparative Data

This is a comparative report to show how well we relate nationally.

This information allows you to compare your child's performance at the end of Key Stage 2 with the attainment of other Year 6 pupils across England. Scaled scores are a standardisation measure to show the achievement of the average child at Shield Row compared to those nationally.

KS2 Subject	% pupils achieving expected standard at Shield Row	% pupils achieving expected standard Nationally	Average scaled score: Shield Row	Average scaled score: Nationally	Percentage of pupils working at Greater Depth
English: Reading	83%	74%	105	105	21%
English: Grammar, Punctuation & Spelling	72%	72%	103	105	17%
Mathematics	72%	71%	104	104	17%
Reading, Writing & Maths combined	66%	59%			
English Writing Teacher Assessment	69%	69%			6%
